

Name: _____ Block: _____ Date: _____

Energy Sources Research

1. What is a **fossil fuel**?

2. Solar power is a **renewable resource**, what does that mean?

3. Oil is a **non-renewable resource**, what does that mean?

Use the link on my blog to learn about each of these energy sources:

Energy Source	Pros	Cons
Coal		
Oil		
Natural Gas		

Energy Source	Pros	Cons
Nuclear		
Hydro		
Wind		
Solar		

Name three energy sources that you think would be good for Maine (and our part of the country) to use:

1. _____ because _____

2. _____ because _____

3. _____ because _____
