

Name: \_\_\_\_\_ Block: \_\_\_\_\_ Date: \_\_\_\_\_

Use the map shared in class (<http://www.learner.org/interactives/dynamicearth/plate.html>) to draw Earth's major tectonic plates. **Label** each plate, make a **key** and color-code each type of plate boundary:

**KEY**

Divergent  
Boundary

Convergent  
Boundary

Transform  
Boundary

1. Name three places where new crust is being created:

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

2. What kind of plate boundary are these places?

3. Name three places where old crust is being destroyed:

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. What kind of plate boundary are these places?

5. Name three places where there is a transform boundary:

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_
