

Name: _____ Block: _____ Date: _____

What it is:

Draw a DETAILED, COLOR Diagram:

**Divergent
Boundary**

How is Earth's crust
being created, destroyed
or changed here?

Describe what it looks
like in words:

What it is:

Draw a DETAILED, COLOR Diagram:

**Transform
Boundary**

How is Earth's crust
being created, destroyed
or changed here?

Describe what it looks
like in words:

What it is:

Draw a DETAILED, COLOR Diagram:

Convergent Boundary

How is Earth's crust being created, destroyed or changed here?

Describe what it looks like in words:

What it is:

Draw a DETAILED, COLOR Diagram:

Fault

List the types of plate boundaries where faults occur:

Do all fault lines change Earth's crust in the same way? Explain.
