

Science Self-Assessment HOWLS Criteria

RESPECT

Am I respectful with my voice and actions? Do I need reminders? Has the teacher had to intervene due to my behavior?

When others are speaking in class, do I look at them, listen to them, and respond to what they say with words or actions?

Do I treat the classroom and materials appropriately? Do I clean up after myself? Am I respectful of other peoples things?

RESPONSIBILITY

Do I arrive to class on time and prepared with a sharpened pencil or pen, my charged laptop and the papers I need?

Have I had my assignments complete when they are due? Am I keeping track of when things are due?

Do I participate in class discussions, activities and partner work?

Do I make my classwork my priority in class? Do I use my time well?

Do I check Infinite Campus and follow up with Ms Lea when something is missing or received less than a 3?

When I miss a class, do I follow-up the next day with Ms Lea's blog as well as Ms Lea or another student?

PERSEVERANCE

Do I do my best work on my assignments?

Do I revise and redo my work when needed? This includes Knowledge Checks, projects and tests.

Do I try the exceeds option if all of my other work met the standard?

Do I carefully read over and check rubrics before turning in assignments?

Do I make goals about how to improve and stick to them?

4= ALWAYS

Without reminders

3 = USUALLY

Usually without reminders

2 = SOMETIMES

Sometimes needs reminders

1= USUALLY NOT

Even with reminders, not yet
